Autumn 23 Menu Option	Meal choices available	▶
Final Christmas Week	Meal choices available	▶

For menu option from 18th December (final week), please select Final Christmas Week. This is due to a different menu for the final week.

5. Once you have made your selection you can “confirm choice”.

If you would like this option each time it appears, you can tick the highlighted box, it will then pre-populate the menu whenever this meal occurs.

You can select as far in advance as you like providing the menu is available. We have only done until the end of term, as we will be having a new menu, so the menu options will be updated. You will receive an email when they are available.

2. From Quick Actions, select Meals
