

Welcome to Ivy Bank Primary School. We hope you and your child will be very happy here.

We want all our children to have the best possible opportunity to develop and become independent learners. A way of making this possible is for us to work closely together with you.

As parents you are your child's first and foremost educators. As you know your child so well, we would appreciate you taking the time to complete this booklet with them and returning it to school on their first day in September.

Through sharing this booklet, we aim to:

- Recognise, celebrate and acknowledge achievement
- Involve parents and carers from the start in assessing progress
- Provide good links between school and home

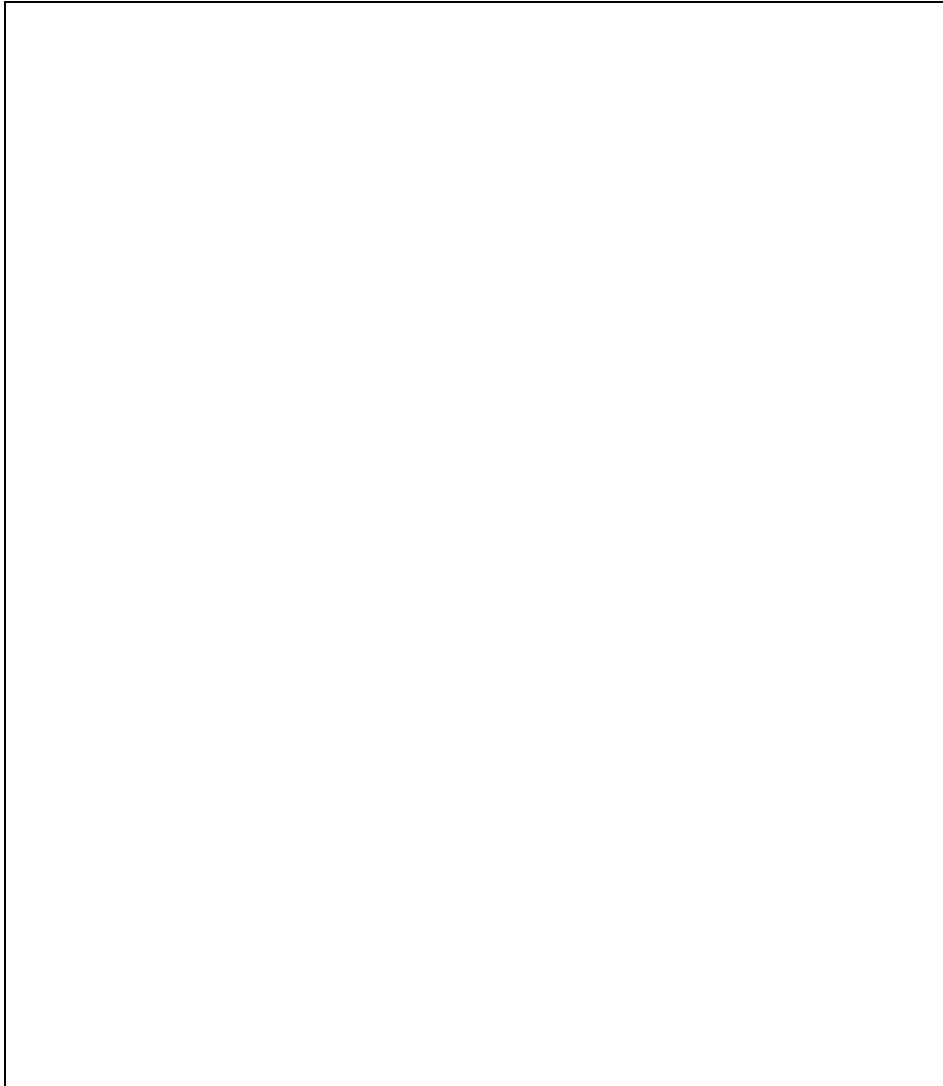

We look forward to getting to know your child.

Thank you for your support.

Foundation Stage 2 Team

My name is _____

This is a drawing of me

I live with these people:

A little bit about me

I was born on: _____

My favourite toy is	My favourite story / book	My favourite food
